Kingscote

This is a five mile walk through pretty Cotswold countryside and woods to Horsley, returning via a circular route through Horsley and Kingscote Woods. It is a fairly easy walk, 3 stiles and one short steep road as we enter Horsley. A lot of the walk is through woods which will provide shade if it is sunny. Visit to Kingscote Church if there is time.

LUNCH AT THE HUNTERS HALL INN

Menu can be found on the Greene King website.
