

Nailsworth Society Garden Group

Meeting Monday 19 August 7.30pm Sawyer Hall
Newmarket Road, Nailsworth

This month we have Duncan Coombs talking about “Winter Beauties”. Duncan is an entertaining & very knowledgeable speaker.. This time of year, we are beginning to think about what to order from various catalogues for winter plants & we will soon see garden centres & nurseries stocking up. This is the ideal opportunity to be inspired by ideas for your winter gardens to give them colour & fragrance.
