April 25th, 2pm

This lovely garden and estate is close to Tetbury and always has a wonderful display of tulips.

The visits tend to last around 2 hours, starting with an introduction from Julie Record, the owner, followed by free time to walk and explore the gardens, then returning to meeting point for refreshments.

The head gardener is also present along with other staff during the visit to talk about the gardens and answer any questions.

Cost is £15 per person to include visit and refreshments.

I have to let them know 2 weeks beforehand how many are coming and pay the necessary so am making **April 4th the closing date** for this trip. Please let me know before then if you would like to go and pay your dues to the Nailsworth Society Bank Account (details available on request).

If you would rather pay by cash or cheque, please put in an envelope with your name and contact details and hand to the Town Information desk in the Library.
